Thai Union Group (TU TB)

Buy (Maintained)

Expecting Softer Results Before 4Q23 Rise; BUY

Target Price (Return): THB17.50 (29.6%)
 Price (Market Cap): THB13.50 (USD1,711m)
 ESG score: 3.3 (out of 4)
 Avg Daily Turnover (THB/USD) 254m/7.16m

- **Keep BUY with THB17.50 TP, 30% upside and c.4% yield.** Thai Union Group is expecting softer results in 3Q23 as it requires time to recover from restocking. However, TU's earnings is expected to improve going forward through customers' consumption recovery. As for the costs, tuna price is anticipated to reduce further following the end of the fish aggregating device (FAD) ban. TU is likely to continue its attractive dividends.
- **Expect 3Q23 earnings to be soft QoQ, YoY.** We estimate core 3Q23 earnings of THB1.2bn (-10% QoQ, -34% YoY). The QoQ reduction is due to lower sales volume from a slow recovery after restocking. Sales revenue is expected to increase slightly QoQ at THB34bn (+2% QoQ, -14.5% YoY), mainly from recoveries in pet care and frozen seafood segments. Its Red Lobster restaurant chain is likely to face a loss of c.TH290m (2Q23: THB94m loss). The YoY profit reduction is mainly because of the high base last year. 3Q23's gross profit margin is likely to remain at 17.5% (vs 18.1% and 16.9% in 3Q22 and 2Q23) – higher QoQ because of lower tuna cost.
- **Lower tuna cost.** Management expects 2H23 tuna price to decrease from the average USD1,900/tonne level in 1H23. The tuna per tonne prices in Jul and Aug 2023 were USD1,900 and USD1,800, and even lower at USD1,700 in September. The price is likely to remain c.USD1,700/tonne in 4Q23, due to the end of the FAD ban. In addition, the price of aluminium is also declining, benefitting TU's packaging costs. Frozen seafood volume is expected to increase following the recovery of eateries and restaurants' businesses.
- **4Q23 likely to be best performing quarter of 2023.** The pet care industry in Europe has been drastically destocking in response to lower demand, which is expected to recover. TU is also rightsizing its frozen goods business in the US to improve its profitability by reducing stocks of low-profit businesses, ie frozen shrimp. Therefore, its gross margin should recover in 4Q23. The canned tuna OEM business should also see increased orders, attracted by lower tuna cost, which can provide more room for marketing campaigns.
- **Risks include** volatility in raw material costs, and possible disease outbreaks that could adversely affect demand and supply.
- **ESG.** TU's ESG score is 3.3 out of 4.0, resulting in a 2% ESG premium added its intrinsic value at a 1.3x P/BV target – near its 5-year average – to arrive at our THB17.50 TP. The stock's valuation remains inexpensive, as it is trading at 1.1x P/BV, below the 5-year average of c.1.3x. The group also provides attractive FY23F dividend yields of c.4%. We maintain our BUY recommendation.

Source: Company data, RHB

Overall ESG Score: 3.3 (out of 4)

E: EXCELLENT

TU aims to support environmental products and has a strong policy of supporting environment-friendly suppliers. All its plants comply with environmental and waste treatment standards.

S: GOOD

Being reliant on seafood product and fishermen suppliers, TU has the highest exposure to this ESG pillar. However, it has managed its social and community relationships well. The company has a strong policy of not supporting labour malpractice suppliers. TU also applies international standards – as per those specified by Dow Jones Sustainability Indices and United Nations Sustainable Development Goals. It also conducts its social responsibility activities based on engaging in projects that are suitable for society needs.

G: EXCELLENT

TU follows the guidance of the Thai Institute of Directors. Its disclosure policy is in compliance with regulations set by the SET. As it is a listed company, TU also discloses important information broadly and promptly to stakeholders.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a

member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link [RHB Research Conflict Disclosures - Oct 2023](#) and to the best of our knowledge, RHBIB hereby declares that:

1. RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
2. RHBIB is not a market maker in the securities or capital market products of the subject company(ies) covered in this report.
3. None of RHBIB's staff or associated person serve as a director or board member* of the subject company(ies) covered in this report
**For the avoidance of doubt, the confirmation is only limited to the staff of research department*
4. RHBIB did not receive compensation for investment banking or corporate finance services from the subject company in the past 12 months.
5. RHBIB did not receive compensation or benefit (including gift and special cost arrangement e.g. company/issuer-sponsored and paid trip) in relation to the production of this report.
