SCBX (SCB TB)

Buy (Maintained)

Robinhood Sale Is Long-Term Positive; Maintain BUY

Target Price (Return): THB126 (15.6%)
Price (Market Cap): THB109 (USD11,374m)
ESG score: 3.2 (out of 4)
Avg Daily Turnover (THB/USD) 1,048m/30.6m

• Maintain BUY, rolling over to 2025F THB126 TP from THB113, 16% upside and c.9% yield. We still see SCBX appealing on: i) It being the sector's top dividend play stock (FY24F-25F: 9-10% yield vs the 5-6% sector average), ii) its better ROE and capital management vs peers, and iii) inexpensive valuations (P/E and P/BV remain at the low band -1SD from the historical mean). We believe the move to divest the non-core loss-making asset (Robinhood) will improve long-term profitability from 4Q24 onwards despite the short-term pain/overhang that ends in 3Q24.

• Robinhood divestment positive for the long term. SCB announced that it has signed a share sale & purchase agreement to sell its 100% share in Purple Venture (PPV), the provider of the Robinhood application or app, to a group of investors led by Yip In Tsoi. The maximum sale value totals THB2bn, consisting of an initial payment of THB400m and additional performance-based payments of up to THB1.6bn. With this initial payment of THB400m vs the remaining value or the potential maximum losses of PPV of c.THB1bn, as indicated by SCB, we think the bank will likely book a final impairment loss of roughly THB600m in PPV in 3Q24 – slightly better than the THB1bn loss we already took into account in our 2024F earnings. We deem this divestment positive, as it will remove the price overhang for SCB, given that it does not need to bear losses of at c.THB2bn pa from 4Q24 onwards.

Share Performance (%)

| | YTD | 1m | 3m | 6m | 12m |
|----------------------------|-----|-------|-------|-------|------|
| Absolute | 2.8 | 1.9 | 5.8 | (4.4) | 6.3 |
| Relative | 0.5 | (4.7) | (5.6) | (9.5) | 7.8 |
| 52-wk Price low/high (THB) | | | | 96.0 | -116 |

• Expect a flat 3Q24 net profit (YoY and QoQ). We expect SCB to post a 3Q24 net profit of THB9.8bn (+1% YoY, -2% QoQ). The flat earnings outlook should be due to the: i) Booking of a THB600m impairment loss from PPV (as mentioned earlier), ii) expected remaining high credit cost of c.188bps vs SCB's guidance of 160-180bps for 2024 for prudent reasons (on potentially slight higher NPLs QoQ given lingering pressure from high household debt), and iii) lower NIMs QoQ (but still higher YoY) due to the high base NIM in 2Q24 on extra one-off interest income from corporate loan debt settlements in 2Q24. Loans should grow slowly by 0.6% QoQ (+ 1% YTD) vs the bank's guidance of 3-5% for 2024, as SCB prioritises quality over growth.

Roll over to 2025 TP, still BUY. We roll over to 2025F TP of THB126 (for an implied target P/BV of 0.86x) from 2024F's THB113. Our GGM-based TP includes a 0% ESG premium/discount to its intrinsic value, as SCB's 3.2 ESG score is in line with the country median. In the near term, its price may underperform against other large bank peers, as it may not directly benefit from the new Vayupak Fund (c.THB150bn), a state investment fund that will start investing on the SET from Oct 2024 onwards – this is as the fund's stake holding in SCB is close to the limit.

E: GOOD

By 2025, SCBX aims to provide THB100bn in financing for a low-carbon, net-zero transition and sustainable development – this is to increase to THB200bn in 2030. It also plans to mitigate operational emissions by 50% by 2027 from 2023 levels, and achieve operational net zero by 2030 and net-zero finance emissions by 2050.

S: EXCELLENT

In financial empowerment, SCBX supports SMEs, low-income earners, and the self-employed via its digital and innovative financial products and services. Its commercial bank has not encountered any material cyber-security issues or system outages in the past 12 months.

G: GOOD

SCBX is a member of the United Nations Global Compact. Independent directors make up 47% of its board. SCBX's sustainability policy and strategic framework are under the purview of the management committee, which reports to the board.

Neither RHB (including its officers, directors, associates, connected parties, and/or employees) nor does any of its agents accept any liability for any direct, indirect or consequential losses, loss of profits and/or damages that may arise from the use or reliance of this research report and/or further communications given in relation to this report. Any such responsibility or liability is hereby expressly disclaimed.

Whilst every effort is made to ensure that statement of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable and must not be construed as a representation that the matters referred to therein will occur. Different assumptions by RHB or any other source may yield substantially different results and recommendations contained on one type of research product may differ from recommendations contained in other types of research. The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report may contain comments, estimates, projections, forecasts and expressions of opinion relating to macroeconomic research published by RHB economists of which should not be considered as investment ratings/advice and/or a recommendation by such economists on any securities discussed in this report.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a member of the

Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
