

# **Thailand Company Update**

5 November 2024

### Consumer Cyclical | Leisure & Entertainment

# The Erawan Group (ERW TB)

### High Season Ahead For Tourism; Maintain BUY

- Keep BUY, new THB5.60 DCF TP (from THB6.10), 39% upside, c.2% yield. While The Erawan Group's earnings may remain weak YoY in 3Q24, we are positive on the high tourism season in 4Q24-1Q25, which could significantly boost core profit YoY and QoQ. We revise down forecasts, but still expect FY24-25 core profit to achieve new record levels. The stock's current valuation looks attractive. Our TP includes a 4% ESG discount.
- 3Q24 preview. We expect ERW's non-Hop Inn hotels to see a 1% YoY jump (flat QoQ) in 3Q24 revenue per available rooms (RevPar), based on 80% occupancy rates (OR) and +4% YoY (flat QoQ) average room rates (ARR). The lower RevPar growth for the quarter was mainly due to the lower luxury segment OR (-10ppts YoY, -7ppts QoQ) of 72% and weaker RevPar (-4% YoY, -6% QoQ) from an incident at Grand Hyatt Erawan Bangkok (GHEB) in July, while that of mid-scale and economy hotel segments remained healthy. Hop Inn budget hotels in Thailand may see RevPar of +5% YoY (-2% QoQ), with the opening of four new properties in 2Q-3Q24 and seasonality, which resulted in smaller OR of -3ppts YoY (-2ppts QoQ) to 78%. Overseas, Hop Inn hotels saw -11% YoY (-8% QoQ) RevPar in the Philippines due to the opening of three new hotels in 2Q-3Q24, and -13% QoQ RevPar in Japan post 2Q's high season. We forecast a 3Q24 core profit of THB130m, down 12% YoY on lower profit margins and higher finance cost, and up by a modest 3% QoQ on a mild profit margin increase. Total revenue may grow 6% YoY (+1% QoQ) following business expansions. EBITDA margin should stay at 30% (down 0.8ppts YoY) as we assume smaller GPM and higher opex, close to 2Q24 levels. Interest expense should rise 20% YoY, with a slight 1% QoQ drop.
- Entering the high season. We believe ERW will have better earnings momentum in 4Q24F with YoY and QoQ growth, mainly supported by: i) Expected strong hotel bookings in Bangkok, Pattaya, and Phuket, which may widen OR and RevPar for its non-Hop Inn hotels, ii) back-to-normal performance of GHEB (c.20% of hotel revenue) in Nov-Dec 2024, iii) the relaunch of Holiday Inn Pattaya (c.7% revenue mix) in Oct 2024 post major asset enhancement works, which should boost ARR up to 15%, and iv) small benefits from the Government's co-pay travel campaign to its 12 Hop Inn hotels in the northern provinces (c.3% mix). We see ERW as a beneficiary of the interest rate cut, given its THB12bn interest-bearing debt in 2Q24, and as up to 88% of this is THB-denominated with float rates.
- Forecasts. We revise down ERW's core profit by 7% for 2024-2025, and 14% in 2026 by fine-tuning our opex-to-sales ratio and finance cost assumptions. We expect a core profit expansion of 7% YoY to THB796m this year, and by 15% to another record high of THB918m in 2025.
- Valuation. ERW is trading at an attractive 22x FY25F P/E. Expected strong 4Q24-1Q25 earnings during the high travel season should be a catalyst.

Source: Bloomberg

#### Overall ESG Score: 3.0 (out of 4)

#### E: GOOD

ERW requires every hotel to comply with laws governing the environment, and has a policy to maximise the use of resources. Its properties undergo regular checks and maintenance, and equipment is supervised for effective energy consumption. For waste from hotel kitchens, it saved 99.6 tonnes of food, rescued 174,000 meals, and reduced 189 tonnes of CO2 in 2020.

#### S: GOOD

ERW has approved a budget of not more than 0.5% of net profit to execute projects like The Erawan for the Society and the Environment and Happy Home Happy Stay. It carried out activities related to community development, education support, and tourism industry support. The group also pays attention to occupational health, hygiene and safety, as well as personnel talent and development.

#### G: GOOD

ERW conducts its business based on corporate governance principles. It has fully complied with laws and regulations in both Thailand and the Philippines and is against all forms of corruption. It focuses on customer satisfaction and business innovation development, as well as risk and crisis management.

#### Key drivers

- Tourism industry recovery post COVID-19;
- ii. Opening of new hotels;
- iii. Economies of scale in operations that lead to a rise in profit margins.

P/B (x)

Dividend Yield (%)

EV/EBITDA (x)

#### Key risks

- i. Weaker-than-expected tourism atmosphere and consumption;
- ii. Delays in the opening of new hotel properties;
- Rising competition and price pressure in particular hotel segments and locations;
- Unexpected incidents in Thailand and abroad, eg natural disasters, political unrest, etc.

#### **Company Profile**

The Erawan Group invests and develops hotel properties that are strategically located to match travellers' varied demands. It owns 68 hotels with 8,717 keys nationwide and eight hotels with 1,471 keys in the Philippines as of end-2022. Key properties include the Grand Hyatt Erawan Bangkok, JW Marriott Bangkok, and Holiday Inn Pattaya, as well as a chain of Ibis and own-developed Hop Inn budget hotels.

### **Latest ESG-Related Developments**

- ERW collected information on its energy usage and impact from all its hotel operations, to boost
  operational efficiency and seek better ways for energy management and investment that
  properly reflects the context of each asset.
- ERW has collaborated with its alliance members to put waste through a recycling process this
  project was inaugurated in Oct 2022 and is currently limited to the Bangkok area only. The group
  has also increased the ratio of eco-products in its procurement criteria.
- ERW promotes staff wellbeing. It provides capacity-building for workers' career advancement, encourages the building of a risk culture within the organisation, and strives to make the group resilient, agile, and quick to adapt to constant changes.

The research analysts responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and autonomously. The research analysts that authored this report are precluded by RHB in all circumstances from trading in the securities or other financial instruments referenced in the report, or from having an interest in the company(ies) that they cover.

The contents of this report is strictly confidential and may not be copied, reproduced, published, distributed, transmitted or passed, in whole or in part, to any other person without the prior express written consent of RHB and/or its affiliates. This report has been delivered to RHB and its affiliates' clients for information purposes only and upon the express understanding that such parties will use it only for the purposes set forth above. By electing to view or accepting a copy of this report, the recipients have agreed that they will not print, copy, videotape, record, hyperlink, download, or otherwise attempt to reproduce or re-transmit (in any form including hard copy or electronic distribution format) the contents of this report. RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies

#### RESTRICTIONS ON DISTRIBUTION

#### Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

#### Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a member of the

Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

#### Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

#### Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients <a href="mailto:should">should</a> contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

#### United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

#### DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

#### Malaysia
