Land and Houses (LH TB)

Buy (Maintained)

Two Near-Term Positives; Maintain BUY

Target Price (Return):	THB10.35 (36.2%)
Price (Market Cap):	THB7.60 (USD2,527m)
ESG score:	3.3 (out of 4)
Avg Daily Turnover (THB/USD)	360m/10.1m

- **Maintain BUY, new THB10.35 TP from THB10.85, 36% upside and c.8% dividend yield.** Although Land and Houses posted unexciting 3Q23 bottomline performance, we expect 4Q23 to be more interesting in terms of two positive factors, ie its core business and extra transactions.
- **3Q23 bottomline a moderate 7% below our estimate.** LH posted a 3Q23 net profit of THB1.18bn (-47% YoY, -18% QoQ). The drop was unsurprising given core revenues from project sales fell 41% YoY (-11% QoQ) to THB4.45bn. Note: All project types contributed lower sales revenues in 3Q23, especially the condominium segment, which showed a 90% YoY drop in revenue. This was because 3Q22's high base came from the best-selling The Key Rama III project. 3Q23 GPM of 26.3% from project sales was a major pressure, declining from 3Q22 and 2Q23's 32% and 29%. Rental revenue increased consistently 45% and 5% YoY in 3Q23, especially in Thailand. The SG&A expenses to project sales ratio revenue also climbed up to 21.5% due to the property tax paid during the quarter and higher advertising expenses. Profit-sharing from associates grew 6% YoY – in line with our estimate.
- **After 9M23 performances,** LH posted declines in presales (-42% YoY to THB14.4bn) and earnings (-37% YoY to THB4bn). Relying on its core business – project sales – we do not think the company can achieve its FY23 earnings growth and all its business targets. However, there should be two positive factors to support its performance within 4Q23: i) Solid presales from the Wan Veyla Na Chaopraya condominium project (launched in October) with a current take-up rate of 31% in terms of its THB15bn project value and ii) LH's subsidiary to sell its two leasehold hotel projects – Grande Centre Point Hotel Space Pattaya and Grande Centre Point Hotel Pattaya – to LH Hotel Leasehold REIT (LHREIT TB, NR) for THB9.4bn on 15 Nov. Note: This subsidiary has invested in additional LHREIT units – its unitholding has increased to 26.17% from 14.73%.
- **Earnings revision.** As LH's subsidiary has increased its stake in LHREIT, which will result in lower-than-anticipated gains from the sale of the two abovementioned hotel projects, we therefore revise down our FY23F earnings by 12% to THB7.9bn (-3% YoY). Although there should be a tendency for the company to reduce this stake, this will unlikely occur within this year, in our view.
- **Lower TP.** Based on our earnings revision and the TP being rolled over to FY24, our SOP-based TP is revised down by 5% to THB10.35. This new TP is also based on an ESG premium of 2%, given that LH's ESG score of 3.3 is above the country ESG average of 3.2.

Overall ESG Score: 3.3 (out of 4)

E: GOOD

LH's economical use of resources always takes into account its environmental responsibilities when performing its duties. This is done through several activities, as well as the ongoing training of its employees. The company is also involved in campaigns to conserve the environment and natural resources – instilling such practices into everyday life. In FY20, LH organised activities to reduce plastic waste under the Think Green for a Better Living initiative.

S: EXCELLENT

LH's board of directors has always realised the company's responsibilities to society and the communities it operates in. Hence, it has supported the budget while sponsoring various departments to continuously organise activities for the benefit of the community and society as a whole.

G: EXCELLENT

LH realises and values the rights of its shareholders. Therefore, it has tried to promote and protect shareholders in terms of exercising their fundamental rights. It will not take any action that violates shareholders' rights. In particular, LH encourages the attendance of institutional investors at its shareholders' meetings through coordination with the company's investor relations unit.

Latest ESG-Related Developments

- In FY22, aware of the climate change caused by global warming, LH set up a committee to monitor and supervise the working group for the preparation of the Carbon Footprint of Organisation report – this was in accordance with the accreditation standards set locally and internationally by Thailand Greenhouse Gas Management Organisation (a public organisation) and ISO 14064-1.
- FY23 goals set: Reduce energy consumption, and managing water consumption, waste, and GHG emissions. All new projects will have homes with electricity systems that support EV charging. All new projects will also have clubhouses with solar roofs.
- Short-term goals within FY25 include: i) 15% reduction in electricity consumption at the head office (base year: FY22) and ii) 5% reduction in total fuel consumption (base year: FY22).
- Long-term goals within FY27 include: i) 20% reduction in total electricity consumption (base year: FY22) and ii) 15% reduction in total fuel consumption (base year: FY22).

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
