2QFY24F Earnings Set To Soar; Still BUY

Target Price (Return): THB80 (22.6%)
 Price (Market Cap): THB65.25 (USD25,882m)
 ESG score: 3.4 (out of 4)
 Avg Daily Turnover (THB/USD) 1,457m/44.6m

- **Keep BUY with THB80 TP (DCF), 23% upside and c.2% yield.** Strong international air traffic during the high travel season should drive Airports of Thailand's 2QFY24F (Sep) core profit up 206% YoY and 26% QoQ. The China-Thailand permanent visa-free policy and Suvarnabhumi Airport's rising capacity should support earnings to further grow YoY in 2HFY24F.
- **3M24 tourist arrivals.** We expect international tourists visiting Thailand in March to be 3.02m (+36% YoY, -10% MoM, 87% of 2019 levels) – leading to the 3M24 number to reach 9.41m (+45% YoY, +17% QoQ, 87% of 2019 levels). We believe our estimation of 35m total foreign arrivals in 2024 (88% of 2019 levels) is achievable – generating THB1.9trn in receipts. We also forecast 1.76m China tourists to arrive in 3M24 (57% of 2019 levels) and 6m total in 2024 – accounting for 17% of total international arrivals (2023: 3.5m arrivals, 13% of the mix).
- **Continuing solid travel demand.** The ongoing recoveries in foreign arrivals to Thailand and outbound Thai tourists during the high travel season may drive AOT's 2QFY24F international aircraft movements (+36% YoY, +11% QoQ) and international passengers (+41% YoY, +17% QoQ) to c.85% of 2QFY19's levels. For its domestic wing, we expect flights to slightly decline by 4% YoY and flat QoQ, while passenger numbers may increase 1% YoY and 5% QoQ. Total flights may increase 15% YoY and 6% QoQ to 0.19m (81% of 2QFY19's levels), while total passengers may increase 22% YoY and 12% QoQ to 32.34m (83% of 2QFY19's levels).
- **2QFY24F preview.** We expect AOT to deliver 2QFY24 core profit of THB5.87bn (77% of 2Q19's levels), a jump of 206% YoY and 26% QoQ. Total revenue is expected to rise 59% YoY and 12% QoQ to THB17.51bn, as robust air traffic (especially from the Chinese passengers during the Lunar New Year period) should support higher aircraft landing charges (+132% YoY, +6% QoQ), passenger service charges (+36% YoY, +17% QoQ), and concession revenue (+110% YoY, +8% QoQ). We also assume its improving operations will ramp up its EBITDA margin to 62% (+13.3ppts YoY, +1.6ppts QoQ).
- **2HFY24F outlook.** AOT's earnings should continue to expand YoY in the latter half of FY24F, driven by: i) The China-Thailand permanent visa-free policy from Mar 2024 which strengthens travel confidence and help boost the number of air travels between the two countries, ii) a rising utilisation at Suvarnabhumi Airport's (BKK) new Satellite Terminal (SAT-1) from an average 100 flights per day currently (its total capacity is 400), and iii) the opening of BKK's third runway in 4QFY24, raising the airport's maximum capacity to handle 94 flights per hour, from 68 at present. We maintain our forecasts, as AOT should see core earnings growth of 148% YoY in FY24F, and another 28% to THB29.29bn in FY25F (17% above FY19 levels).
- **Valuations.** Our unchanged THB80 TP (DCF) for the 12-month investment horizon includes a 4% ESG premium based on AOT's 3.4 ESG score (above the country median). The stock remains our Thai hospitality sector Top Pick.

Airport of Thailand PCL (AOT TB)

Source: Bloomberg

Overall ESG Score: 3.4 (out of 4)

E: EXCELLENT

All AOT air transport projects are required to prepare an environment impact assessment report following a Ministry of Natural Resources & Environment mandate. It strictly follows measurements on environmental prevention, impact minimisation, and monitoring, ie air quality, noise levels, vibration, wastewater management, water quality, wildlife resources, biological marine resources, and public participation. It applies innovations or environmental technology to the entire airport system, to reduce energy and resource consumption per capita.

S: EXCELLENT

All AOT airports carry out projects to support local communities, ie community-based tourism promotion and volunteer projects. AOT strictly follows International Civil Aviation Organisation's safety regulations with an auditing process in place. Its airports also organise training sessions to help prepare for crisis or emergencies.

G: EXCELLENT

Over half of AOT's board comprises of independent directors. The company stresses on the importance of information disclosure in an adequate, accurate, and timely manner. There is emphasis on transparency and sustainable long-term growth to ensure that shareholders' basic rights are upheld. Investors are also encouraged to attend shareholders meetings.

Investment Research Disclaimers

RHB has issued this report for information purposes only. This report is intended for circulation amongst RHB and its affiliates' clients generally or such persons as may be deemed eligible by RHB to receive this report and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. This report is not intended, and should not under any circumstances be construed as, an offer or a solicitation of an offer to buy or sell the securities referred to herein or any related financial instruments.

This report may further consist of, whether in whole or in part, summaries, research, compilations, extracts or analysis that has been prepared by RHB's strategic, joint venture and/or business partners. No representation or warranty (express or implied) is given as to the accuracy or completeness of such information and accordingly investors should make their own informed decisions before relying on the same.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to the applicable laws or regulations. By accepting this report, the recipient hereof (i) represents and warrants that it is lawfully able to receive this document under the laws and regulations of the jurisdiction in which it is located or other applicable laws and (ii) acknowledges and agrees to be bound by the limitations contained herein. Any failure to comply with these limitations may constitute a violation of applicable laws.

All the information contained herein is based upon publicly available information and has been obtained from sources that RHB believes to be reliable and correct at the time of issue of this report. However, such sources have not been independently verified by RHB and/or its affiliates and this report does not purport to contain all information that a prospective investor may require. The opinions expressed herein are RHB's present opinions only and are subject to change without prior notice. RHB is not under any obligation to update or keep current the information and opinions expressed herein or to provide the recipient with access to any additional information. Consequently, RHB does not guarantee, represent or warrant, expressly or impliedly, as to the adequacy, accuracy, reliability, fairness or completeness of the information and opinion contained in this report. Neither RHB (including its officers, directors, associates, connected parties, and/or employees) nor does any of its agents accept any liability for any direct, indirect or consequential losses, loss of profits and/or damages that may arise from the use or reliance of this research report and/or further communications given in relation to this report. Any such responsibility or liability is hereby expressly disclaimed.

Whilst every effort is made to ensure that statement of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable and must not be construed as a representation that the matters referred to therein will occur. Different assumptions by RHB or any other source may yield substantially different results and recommendations contained on one type of research product may differ from recommendations contained in other types of research. The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report may contain comments, estimates, projections, forecasts and expressions of opinion relating to macroeconomic research published by RHB economists of which should not be considered as investment ratings/advice and/or a recommendation by such economists on any securities discussed in this report.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the

Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
