Bangkok Dusit Medical Services (BDMS TB)

Buy (Maintained)

No Stop To Patient Growth; Still BUY

Target Price (Return): THB35.25 (+28%)
 Price (Market Cap): THB27.50 (USD12,535m)
 ESG score: 3.4 (out of 4)
 Avg Daily Turnover (THB/USD) 1,143m/32.7m

- Maintain BUY and FY23F DCF-based TP of THB35.25, 28% upside with c.2% yields.** Bangkok Dusit Medical Services' 2Q23F earnings could grow by 10% YoY, while revenue growth attributed to Thai patients may stay solid this quarter. That said, 2H23F outlook would also brighten on an improvement in patient numbers and price intensity, with 3Q23F earnings growing YoY and QoQ. We also expect earnings growth to remain solid, at 6% YoY this year. BDMS is trading at cheap 31-33x 2023F-2024F P/Es.
- Less seasonal factors affecting patient revenue.** Despite a generally low season, we expect BDMS' 2Q23F topline to be driven by its Thai patients (+4% YoY, +1% QoQ). Thai patients may account for 74% of revenue this quarter, due to the diarrhoea outbreak in Phuket and the spike in dengue cases earlier this year. Meanwhile, its international patient numbers may grow 18% YoY and be at 6% above 2Q19 levels – largely driven by patients from the Middle East and Russia. All in, we expect group hospital revenue for 2Q23 to total THB22.44bn (+7% YoY, -3% QoQ, 20% above pre-pandemic levels).
- 2Q23 results preview.** We expect 2Q23 core profit to be THB2.92bn (+10% YoY, -16% QoQ). The YoY growth should be due to a higher topline, while smaller profit margins may cause the QoQ decline. GPM should be at 34.8%. This points to a 0.2ppt YoY decline, on the lack of a material contribution from high-margin COVID-19 treatments. GPM may also narrow by 2.2ppts QoQ due to a lower mix of foreign patients (vs 29% of total patients in 1Q23). Meanwhile, BDMS' opex-to-sales ratio may be quite flattish on higher personnel and utility costs, so we assume an EBITDA margin of 23.1% (-0.5ppts YoY, -2ppts QoQ) for the quarter.
- We expect 2H23 net profit to improve HoH,** on the continued return of Thai and foreign patients to its hospitals. On foreign patients, BDMS may see growing numbers from the Middle East and China – the latter should provide additional support for earnings growth, aside from the solid income already coming from hospital billings for China expatriates. 3Q23 earnings may grow YoY and QoQ from the high season for medical treatments, mitigated by depreciation expenses on a new campus – Bangkok Hospital Pluak Daeng, which opened in June – although this should only have a minor effect on 2H23 costs.
- Maintain forecasts.** We expect BDMS' core profit to rise 6% YoY to THB13.31bn in 2023, then by a further 7% pa over FY24-25F. FY23 profit growth would be based on 6% YoY revenue growth (guidance: +6-8% YoY), its Thai and foreign patient revenue mix of 28:72, stable bed occupancy rates, and a decent EBITDA margin of c.24%.
- ESG.** BDMS' ESG score of 3.4 is two notches above the country median, so we apply a 4% premium to its intrinsic value to derive our TP, which remains at THB35.25. This counter is trading at cheap 31-33x 2023-2024F P/Es, ie at -1.25SD to -1.5SD from the mean.

Overall ESG Score: 3.4 (out of 4)

E: EXCELLENT

BDMS applies its environmental management policy BDMS Earth Healthcare to help inculcate an eco-mindset, improve the environment and move towards green businesses while sustaining social engagement. Its hospitals perform regular environmental assessments according to regulations. Its hospitals practise safe waste management and storage.

S: EXCELLENT

Clinical and non-clinical personnel are employed in accordance with international human rights principles, fair treatment and workplace rights. BDMS has implemented occupational health and safety measures and provides good working conditions. It has also delivered healthcare services to the underprivileged, provided preventive healthcare knowledge, and collaborated with customers to support good health through products or services. Subsidiary hospitals are certified according to national and international healthcare service standards.

G: EXCELLENT

BDMS' corporate governance structure consists of the board of directors and five sub-committees. It treats shareholders equally, and protects their interests by conducting regular engagement activities. It discloses timely and accurate information through various channels.

RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a

member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link [RHB Research conflict disclosures - Jul 2023](#) and to the best of our knowledge, RHBIB hereby declares that:

1. RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
2. RHBIB is not a market maker in the securities or capital market products of the subject company(ies) covered in this report.
