Berli Jucker (BJC TB)

Expecting An Earnings Recovery In 4Q21F

- Keep NEUTRAL and DCF-based THB37.00 TP, 9% upside and c.2% FY22F yield. Berli Jucker's bottomed-out 3Q21 results were due to weak GPM and rental income, as well as higher taxes. Earnings could start to see a gradual recovery from 4Q21, given the easing lockdown measures. However, the competitive hypermarket format may be pose a challenge for SSSG and margin improvement. Upside to our TP is still limited.
- Weak 3Q21 as expected. BJC posted a THB367m 3Q21 net profit (-65% YoY, -55% QoQ), mainly on a weak EBIT due to smaller GPM and rental income, higher tax expenses, and heavier negative equity profits. Total sales were -2% YoY and +1% QoQ, on sluggish sales in its packaging business and modern retail supply chain during the lockdown for COVID-19's third wave. Big C's SSSG was -6.6% YoY in 3Q22, better than 3Q20's -17.8% and 2Q21's -14.3%. Robust contribution from fresh foods (20% of Big C's sales) helped offset a decline in non-food sales (19% of Big C's sales), as the latter was temporarily closed in 29 dark-red zone provinces in July-August. Average GPM was -0.7ppts YoY and -0.1ppts QoQ on the consumer supply chain's higher raw material costs, a higher revenue mix from the low-margin product distribution business, and Big C's smaller highmargin non-food sales mix and logistics cost hikes. Rental income fell 36% YoY on rent waivers and high-teen rental discount rates given to tenants, while occupancy rates at Big C leasable areas were at 85% (3Q20: 91%) as some tenants discontinued contracts. Negative equity profits increased to -THB108m on weak operations of its Malaysia and Vietnam packaging JVs, and loss from disposal of a subsidiary in the modern retail supply chain.
- 4Q21 outlook: an improving quarter. We believe BJC's earnings bottomed out in 3Q21, and momentum will recover from 4Q21, mainly in its glass/aluminum can packaging and modern retail businesses. Easing lockdown measures may turn Big C's SSSG to a positive low single digit in October. Its resumption of non-food merchandise sales and further launches of private label products may bolster GPM QoQ.
- Another 2021 forecast cut. We lower 2021F core profit by 10% to THB3.11bn (-30% YoY) as we revise down packaging, rental revenues and equity profits, and increase the effective tax rate assumption to 12% from 9%. Operational recovery may support its 2022F earnings to turn to a strong 56% growth, or to two-thirds of 2019's levels.
- Still NEUTRAL, assigning ESG into valuations. Based on our proprietary in-house methodology, we derive an ESG score of 3.2. Accordingly, we apply no premium or discount to our DCF-derived intrinsic value, leading to the unchanged THB37.00 TP. We see limited upside to our current TP, as while BJC's modern retail business' performance may gradually improve in the final quarter this year, we expect competitive conditions in the hypermarket segment (c.60% of Big C's sales) to remain challenging.

E: GOOD

BJC adopts the circular economy, innovative ideas, and invests resources into R&D, to support the sustainable consumption and production of packaging and waste, ie introducing natural packaging to Big C stores' fresh food department. It successfully advanced the design of its products – including glass bottles, aluminium cans, and snack packaging – to be more environmentally friendly and to reduce natural resources required to produce them.

S: EXCELLENT

BJC focuses on attracting and retaining talented employees and supporting their career development and welfare. It also empowers staff – advocating for diversity, equality and compliance with human rights standards. The company supports local communities in achieving social cohesion. It continues to offer various educational schemes, support government projects aiming to reduce economic inequality, and collaborate with communities to educate children on recycling and waste segregation. It also builds competency within its supply chain partners, for prosperity growth.

G: EXCELLENT

BJC is committed to good governance and conducts business integrity, transparency and responsibility towards society and the environment. It treats shareholders equally and protects their interests by conducting regular engagement activities. It also discloses timely and accurate information through various effective channels.

RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a

member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective informing entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malavsia
