

7 February 2022

Central Pattana (CPN TB)

Operations On Recovery; Keep BUY

- **Still BUY with FY22F DCF-based THB65.50 TP, 21% upside, and c.1% yield.** A stronger momentum for its operations could drive 4Q21F's profit recovery and may continue in 1Q22. We maintain Central Pattana's 2022 outlook, with earnings to turn to a robust 91% growth. Potential catalysts: New malls and full-year consolidation of the acquired Siam Future projects.
- **Malls recovery.** 4Q21F average mall traffic may improve to 75% – a pre-pandemic level – with the strongest momentum in Dec 2021 up to 90% (Oct-Nov 2021: 65-70%) thanks to easing lockdown policies. Meanwhile, upcountry malls recovered faster than those in Bangkok. Average rental rate discounts given to mall tenants may be 30% in 4Q21 vs 3Q21's 56%.
- **4Q21 preview.** We expect a core profit of THB1.91bn (-9% YoY, +1,410% QoQ), as it is – seasonally – a year's strongest quarter in terms of core operations. This is based on THB7.77bn in revenue (-4% YoY, +66% QoQ) and growing QoQ for all CPN's businesses. Residential sales (16% revenue mix) may drop 26% YoY due to a high base revenue from high-rise unit transfers in 4Q20. We assume overall GPM of 44% (-3.3ppts YoY, +16ppts QoQ). Rental GPM may increase QoQ on a higher revenue growth than increasing costs, while the weaker GPM YoY may be due to the residential wing's majority transfers of low-rise projects with lower margins this quarter. Robust equity profits of THB224m (+31% YoY, +186% QoQ) may be driven by a stronger REIT performance and c.THB140m consolidation of Mega Bangna super-regional mall. Opex-to-sales ratio of 19.7% (+1ppt YoY, -7.8ppts QoQ) was manageable, although there were year-end festive marketing events.
- **Seek better 1Q22F momentum.** CPN's 1Q22F's earnings outlook may be stronger both YoY and QoQ. Key supports include the ongoing operational recovery for upcountry malls – both traffic and rental rate discounts – which may improve revenue and profit margins. Full-quarter recognition of two new retail projects in Ayutthaya and Si Racha opened in 4Q21, and the recently launched 16,000sq m Central Village Suvarnabhumi's second phase in late January could also boost topline revenue.
- **2022F growth intact.** We revise down 2021F core profit by 4% to THB4.8bn (-34%) and maintain 2022-2023 numbers, as the bottomline may turn to a solid 91% growth to THB9.2bn this year. An improving tenant mix and occupancy rates may support same-store rental rate growth and income revival. A stronger operating leverage may also boost GPMs and core profit margins.
- **Based on our proprietary in-house methodology,** we maintain a 3.4 ESG score and apply a 4% premium to our FY22F DCF-derived intrinsic value to arrive at a THB65.50 TP. CPN is trading at 26x FY22F P/E, -0.5SD to its 5-year historical mean. We believe a post-pandemic revival in out-of-home activities among Thai locals may act as a stock catalyst.

Overall ESG Score: 3.40 (out of 4)

E: EXCELLENT

CPN conducts environment management according to the climate change and environmental guidelines, to ensure maximum benefits and effectiveness, in a systematic and sustainable way. The company also aims for efficient consumption of resources while increasing its consumption of alternative resources, such as solar energy and reused water. It also pays attention to the reduction of landfill and greenhouse gas emissions.

S: EXCELLENT

CPN applies the "Center Of Life" strategy to develop retail malls into various lifestyle destinations for more than just shopping, but also socialising, finding inspiration, and relaxing with families. It develops and encourages tenants and partners to grow together with surrounding communities, ie fair local labour employment and skill development. It also joined Central Group's "Central Tham" project, which empowers the local economy through market mechanism support.

G: EXCELLENT

CPN frames its businesses with good governance, with a commitment to morality, ethics, and due regard for the balanced interests among stakeholders. This should pave the way for long-term stability and growth in tandem with a healthy society and environment.

	EV/EBITDA (x)	12.18	14.94	18.25	13.14	11.11
Key drivers						
i. The opening of new shopping malls;						
ii. Renovations at existing projects, which may increase NLAs and help improve average rental rates;						
iii. Improving domestic consumption, which will boost customer traffic and income from revenue-sharing contracts.						
Key risks						
i. Delays in the opening of new projects;						
ii. Popularity of online trading channels;						
iii. Uncertainties like natural disasters, riots, and terrorism.						
Company Profile						
CPN is involved in retail property for rental. Its properties comprise large shopping complexes, and are branded under Central Plaza, Central Festival, and CentralWorld, on top of other supportive businesses. Its portfolio mainly consists of shopping centres, offices, and hotels. CPN also invests in retail and office property funds, and acts as a property manager for such funds.

The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a

member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link [RHB Research conflict disclosures – Jan 2022](#) and to the best of our knowledge, RHBIB hereby declares that:

1. RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
