Seeks a Stronger 2H22; Still BUY

Target Price (Return): THB18.70 (47.2%)

- **Still BUY and DCF-based THB18.70 TP, 47% upside and 3% yield.** Home Product Center's 2Q22F earnings momentum may be sluggish, but we expect a stronger 2H22 outlook vs 1H22. This is to be driven by new stores, operational efficiency enhancements, the high season for retail in 4Q, and improving recurring income. HMPRO's undemanding 27x 2022F P/E (c.-1SD), despite resilient earnings growth and a superior ROE outlook, may be an opportunity to accumulate the stock.

- **2Q22 preview.** We expect HMPRO to post a 2Q22 net profit of THB1.50bn (+5% YoY, -1% QoQ). YoY growth should be driven by higher recurring income despite flattish merchandise sales, while seasonality will likely cause the QoQ decline. We assume an average -1% YoY SSSG for the quarter (2Q21: +13.7%, 1Q22: +3.1%), as its stores in Thailand (HomePro and Mega Home) were affected by a rainy season that came earlier this year, which caused delays in construction and home improvement activities. However, Malaysian HomePro operations may deliver a robust c.20% YoY SSSG, supported by government consumption stimulus measures in April-May and a low base in the same period last year. Net rental income is expected to rise 103% YoY (+16% QoQ) on smaller rental rate discounts given to leasable area tenants and higher occupancy rates (up c.5ppts to 90-95%). GPM should be at 24% (-1.2ppts YoY, -2ppts QoQ) on changes in product mix and the partial effects of rising product costs. Efficient opex controls may also lower the SG&A/sales ratio by 0.8ppts YoY (-1.3ppts QoQ), limiting impacts from the smaller GPMs.

- **2H22 outlook.** We expect 2H22 earnings to be stronger than 1H22's. Key supports include; i) Plans to accelerate new store openings with seven stores (two HomePro and five Mega Home outlets), ii) Mega Home's efficiency enhancements (procurement and product mix development), iii) a high season for retail in 4Q22 with an expected stronger sales for HMPRO's stores in tourism destinations, and iv) recurring income momentum to improve further. Hence, we maintain our forecasts with resilient earnings growth of 14% in 2022, up from 5% in 2021. Earnings may normalise this year, with profit margins approaching pre-pandemic levels.

- **Valuations.** Based on our proprietary methodology, we derived an ESG score of 3.7 and apply an 8% ESG premium to our FY22F DCF-derived intrinsic value to arrive at our THB18.70 TP. This implies 40x FY22F P/E (+2SD of the 5-year historical mean) vs the current undemanding 27x or c.-1SD. With resilient earnings growth and superior ROE – at a time when home improvement products demand is likely to continue growing, we believe HMPRO still deserves long-term investment. Maintain BUY.

Overall ESG Score: 3.70 (out of 4)

E: EXCELLENT

HMPRO has set an operating framework to tackle environmental issues throughout the supply chain; amplifies operational efficiency via alternative energy or less consumption of natural resources, bolsters workforce awareness on energy conservation, and promotes energy saving-initiatives to its suppliers. Renewable energy usage and zero waste progress are at 25% and 94% of 2030 goals. HMPRO offers Eco Choice products to customers, which currently contribute c.40% of the sales mix.

S: EXCELLENT

To enhance employee engagement, HMPRO prioritises the development of employees to gain knowledge and improve, and ensures the welfare of its associates and their families' living wages. It strengthens business growth through partnership with suppliers and promotes sustainability management. HMPRO also offers customers health and safety products, and services, eg elderly care.

G: EXCELLENT

HMPRO firmly upholds and complies with the principles of good corporate governance. It ensures shareholders' rights by clearly revealing the shareholding structure for transparent and accountable operations, regularly disseminates information via proper channels, and constantly holds meetings with investors.

HMPRO was established with the objective of operating a retail business in the home improvement segment by selling goods. The business also provides a complete range of services related to construction. This is in addition to refurbishment, renovation, improvement of buildings, houses, and residential units through a one-stop shopping centre format under the HomePro and Mega Home trade names – the company's trademarks. It currently operates HomePro stores in Thailand and Malaysia.	Taxation	(1,035)	(1,194)	(1,452)	(1,589)	(1,700)

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
