## IRPC (IRPC TB)

**Sell** (Maintained)

### Refining Spreads Remain Extremely Weak

Target Price (Return): THB1.50 (-42%)  
 Price: THB2.60  
 Market Cap: USD1,638m  
 Avg Daily Turnover (THB/USD): 318m/9.90m

- **Maintain SELL, new THB1.50 TP from THB1.60, 42% downside.** 1Q20 net loss was THB8.9bn, while recurring net loss was THB588m. We lower crude run and refining spreads expectations for the rest of the year as demand deteriorates. Petrochemicals spreads have improved; however, this may not be enough to offset the collapse in petroleum spreads.
- **1Q20 net loss was THB8.9bn, recurring net loss was THB588m.** Non-recurring items were net stock loss (THB6.8bn), financial derivative loss (THB588m), forex loss (THB500m), unrealised hedging loss (THB993m). Market gross integrated margin was USD6.80/bbl (stable QoQ). Gross refining margin was USD0.80/bbl (down from USD1.70/bbl in 4Q19), while petrochemical contribution was USD4.70/bbl (improving from USD3.80/bbl in the previous quarter). Net stock loss was USD12.70/bbl.
- **Looking ahead: Lower crude run and spreads:** IRPC expects the refinery run rate to be at 180-183kbpd for 2Q20F due to the lockdown and weak demand as a result of the COVID-19 pandemic. The company believes that 2H20 would see a recovery in demand. However, this remains uncertain and it will continue to monitor the situation. We have revised our earnings to reflect a weaker rest of the year, with the refinery run rate at 182kbpd, 190kbpd and 200kbpd for 2Q20, 3Q20 and 4Q20 respectively. We lower our GRM expectations to USD4.00/bbl for 2Q20F and USD5.00/bbl for 2H20F. This is assuming a favourable crude premium in 2Q20 and stronger spreads in 2H20F as demand should pick up as the world eases out of global lockdown.
- **Crude premiums and legal reserves:** IRPC believes that Saudi Aramco's favourable crude oil price for 2Q20F should help alleviate the weak refining margins and higher freight rates for the quarter. In terms of legal reserves, the Government has allowed refineries to lower its legal reserves to 15 days (4% of annual domestic sales volume) from 21 days (or 6%), effective Apr 20-Mar 21. From Apr 2021, legal reserves will be kept at 18 days (or 5%). However, this will not have much impact on IRPC as it will maintain its inventories at current levels.
- **Earnings and TP revision:** We lower our 2020F recurring net profit to THB1.4bn from THB1.8bn as a result of expected lower crude run and weaker refining spreads. Our reported net loss is lowered to THB6.8bn, as a result of non-recurring items incurred in 1Q20 as well as weaker earnings for 2Q20F-4Q20F. We maintain our SELL recommendation on this stock, with TP of THB1.50/share, from THB1.60/share, based on 0.4x P/BV.

The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and

unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

## United States

This report was prepared by RHB and is being distributed solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act"). Accordingly, access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors, nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and does not offer brokerage services to U.S. persons. Any order for the purchase or sale of the securities discussed herein that are listed on Bursa Malaysia Securities Berhad must be placed with and through Auerbach Grayson ("AG"). Any order for the purchase or sale of all other securities discussed herein must be placed with and through such other registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of Auerbach Grayson AG or such other registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

## DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with or hold positions in the securities (including capital market products) or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.
