 Avg Daily Turnover (THB/USD) 665m/21.3m

- **BUY, new THB73.00 TP from THB87.00, 12% upside with c.5% FY21F yield.** Siam Commercial Bank surprised, with a sharp increase in NPLs and credit cost for 3Q20. Still, we believe proactive efforts to front-load provisions and review asset quality will enable the bank avoid a potential cliff effect post debt relief programmes. Pre-emptive provisioning lifted LLR to a comfortable 147%, while its CET-1 ratio of 17% is the strongest among large banks. At below 0.5x FY21F P/BV vs ROE of c.7%, risk-reward appears favourable.
- **9M20 results missed our expectations.** Siam Commercial Bank reported 3Q20 net profit of THB4,641m (-44% QoQ, -69% YoY) and 9M20 earnings of THB22,253m (-36% YoY). 9M20 net profit comprised 68% of our FY20 forecast, but beat the Street estimate, at 85%. Excluding a one-time gain of THB24bn from the sale of SCB Life in late Sep 2019 and a one-time additional provision of THB9.1bn in 3Q19, 9M20 earnings declined by a smaller 27% YoY. 9M20 ROAE was 7.4%. CET-1 ratio was a solid 17.6%.
- **3Q20 PIOP down 7% QoQ.** The 51% QoQ drop in gains from investments negated the 12% rise in net fee income, resulting in a 14% QoQ decline in non-II. With opex down a smaller 2% QoQ, the negative jaws weighed on PIOP while CIR edged up to 45.7% (2Q20: 44.5%). NII was flattish with loan growth of 2.7% YTD offset by the 8bps QoQ NIM contraction. NIM was impacted by the multiple rate cuts, portfolio rebalancing and lower reinvestment yields. Expected credit loss (ECL) increased 33% QoQ, as management set aside further pre-emptive provisions. The spike in credit cost to 240bps (2Q20: 184bps), knocked net profit down a sharp 44% QoQ.
- **Asset quality.** Gross NPLs jumped 13% QoQ with two-thirds of the increase coming from qualitative downgrades of customers across its loan book, and a third from normal new NPL formation. NPL ratio was a higher 3.32% (2Q20: 3.05%). Loans under forbearance was a lower 29% (or THB636bn) of total loans (2Q20: 39% or THB839bn) at end-3Q20, with the reduction mainly from retail loans exiting moratorium. Management estimates that 50% of the THB636bn loans still under relief programmes may require further assistance. LLR is comfortable at 145.7% (4Q19: 134.1%). Although 9M20 credit cost was 202bps, management kept its guidance at >16bps for FY20.
- **Loans grew 1.2% QoQ in 3Q20, lifting YTD growth to 2.7%.** Management believes its guidance for a 3-5% increase in FY20F is within reach. The bank sees lending opportunities among corporates, while demand for housing and auto loans has strengthened with the re-opening of the economy.
- **Earnings and TP lowered.** Taking into account the higher-than-expected credit costs, we cut FY20-22F earnings by 13-14%. Our projected PIOP is relatively unchanged (Figure 3). Our TP is revised to THB73.00, based on a GGM-derived P/BV of 0.56x, as we lower ROE assumptions to reflect the downward revisions in estimates (Figure 4).

Earnings revisions

We pare down FY20F-22F net profit by 13-14%, as we pencilled in higher credit cost following the spike seen in 3Q20. Our PIOP estimates are relatively unchanged, as 9M20 PIOP was generally in line with our forecast.

We factored in credit costs of 205bps (from 175bps) for FY20, and 191bps (from 165bps) for FY21F.

We also cut our dividend payout assumptions to 30% and 34% for FY20F-21F, from 31-39%.

Figure 3: SCB – revisions to forecasts

FYE Dec	Net profit (THBm)			EPS (THB)			DPS (THB)

Valuation

Our TP is revised to THB73.00 from THB87.00, as our ROE assumption is lowered to 7% from 8%, on the back of the downward revision in earnings forecasts. This is somewhat cushioned by a higher BVPS assumption, on the rolling forward of the base year to FY21F.

Our TP is based on a GGM-derived P/BV of 0.56x, which is below -2SD from its historical mean.

Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

The use of any website to access this report electronically is done at the recipient's own risk, and it is the recipient's sole responsibility to take precautions to ensure that it is free from viruses or other items of a destructive nature. This report may also provide the addresses of, or contain hyperlinks to, websites. RHB takes no responsibility for the content contained therein. Such addresses or hyperlinks (including addresses or hyperlinks to RHB own website material) are provided solely for the recipient's convenience. The information and the content of the linked site do not in any way form part of this report. Accessing such website or following such link through the report or RHB website shall be at the recipient's own risk.

This report may contain information obtained from third parties. Third party content providers do not guarantee the accuracy, completeness, timeliness or availability of any information and are not responsible for any errors or omissions (negligent or otherwise), regardless of the cause, or for the results obtained from the use of such content. Third party content providers give no express or implied warranties, including, but not limited to, any warranties of merchantability or fitness for a particular purpose or use. Third party content providers shall not be liable for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including lost income or profits and opportunity costs) in connection with any use of their content.

The research analysts responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and autonomously. The research analysts that authored this report are precluded by RHB in all circumstances from trading in the securities or other financial instruments referenced in the report, or from having an interest in the company(ies) that they cover.

The contents of this report is strictly confidential and may not be copied, reproduced, published, distributed, transmitted or passed, in whole or in part, to any other person without the prior express written consent of RHB and/or its affiliates. This report has been delivered to RHB and its affiliates' clients for information purposes only and upon the express understanding that such parties will use it only for the purposes set forth above. By electing to view or accepting a copy of this report, the recipients have agreed that they will not print, copy, videotape, record, hyperlink, download, or otherwise attempt to reproduce or re-transmit (in any form including hard copy or electronic distribution format) the contents of this report. RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB

Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (Singapore branch) which is a holder of a full bank licence and an exempt capital markets services licence and financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link [RHB Research conflict disclosures – October 2020](#) and to the best of our knowledge, RHBIB hereby declares that:

1. RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
